

## *AmiCOUR IP Group, LLC*

### **2011 Partner and Professional Positions**

#### *Full and Part Time Position Openings*

\*\*\*Partnership, Home Office, Part Time Professional\*\*\*

#### **Full Time Partner: *Vice President, Intellectual Property Consulting Services (CLP)***

This successful candidate will be a full partner in *AmiCOUR IP Group* to continue the growth of our successful IP consulting practice. An MBA and IP acumen will serve as foundation for excellent selling, outreach, and written communication skills. Proprietary software and D-Cubed procedures will supplement engineering and scientific acumen and a detailed understanding of IP law and management practices. LES officers (and members) and AUTM leaders may be given preference over other candidates. CLP preferred. Compensation includes 40 percent of hourly billings, revenue sharing, expenses, and profit sharing. Minimal travel is required.

#### **Full Time Partner: *Vice President, Royalty Auditing Team Leader (CPA)***

This successful CPA credentialed candidate will be a full time employee of *AmiCOUR IP Group* to continue building our growing intellectual property license compliance and royalty auditing practice. An MBA is also required with all CLE requirements up to date. Direct experience in intellectual property (patent/copyright license) royalty auditing is required. A "book of business" is an advantage. Our new partner will demonstrate a broad set of accounting, intuitive, investigative, and people skills while being interested and able to embrace engineering and scientific information when required. Compensation includes generous percentage of hourly billings, expenses, and profit sharing.

#### **Part Time Opportunities: *Engineering and Scientific Subject Matter Experts***

Join our growing team of *AmiCOUR IP SME's* participating in the exploding market for technology consulting services to support patent litigation. Openings include consultant positions and F.R.E. 702 testifying expert positions. SME's conduct evaluation and valuation of patents, search for prior art or invalidity evidence, investigate alleged infringement, offer strategic advice, support investment, and more. Contracts include 40 percent of hourly billings or a fixed hourly professional rate, flexibility, free training and witness preparation assistance, and free unlimited use of *AmiCOUR's* proprietary IP software tools. *AmiCOUR IP* is seeking SME's in these areas:

- GPS Systems
- Semiconductor Structure
- Wireless Protocols
- Antenna Technology/RF
- Power Management
- Drug Delivery
- Remediation
- Organic Chemistry
- Physical Chemistry
- Sensors and Detection
- Software Licensing
- Code RE Work
- Network Security
- Web/MySQL Analysis
- Mobile App Code

#### **AmiCOUR IP Group: *A Leader in IP Consulting Services and Software***

*AmiCOUR IP Group* links industry luminaries and experts together to provide premier, broad based engineering, scientific, and financial intellectual property consulting services for law firms, corporations, research institutions, and independent research professionals. The company specializes in IP litigation services, license compliance advisory and royalty auditing services, and royalty stream collection management services. Affiliated patent brokers and licensing professionals work directly with the Group to serve active technology transfer and IP asset repositioning needs. The Group also identifies and acquires strategic patents for select clients. *AmiCOUR IP Group* actively supports the Licensing Executives Society and the Certified Licensing Professional Program.

#### **For More Information: *Submit Your Professional Credentials Today!***

*AmiCOUR IP Group* is pleased to consider interested and qualified candidates. Your next step is to identify your position of interest and send it along with your phone contact information and a summary bio (preferred), Linked-in profile, CV, or resume (in pdf form) to Scott Bechtel, Managing Partner & CEO at [sbechtel@amicourip.com](mailto:sbechtel@amicourip.com).
